

Aparna Gopalakrishnan

Director Finance

A Chartered accountant with more than 15 years of corporate experience spanning areas of consulting/operations across India and Indonesia. She started her career as a consultant in Gobel International, a Joint Venture partner of National Panasonic in Jakarta. Was instrumental in setting up the internal control and accounting systems of the Group and also integration with the subsidiaries.

After relocating to India, joined KPMG in their Tax division and engaged with multinational clients providing advisory, planning and compliance services for Corporates on Income tax matters as well as advisory services for merger & acquisitions and due diligence. Subsequently, joined a software services company and handled all operational areas including HR, Finance, Legal and Administration.

Experienced in setting up policies, procedures and controls for the company from a start up stage to a large organisation. Negotiated and finalised Bank arrangements for Business Funding as well as Term Loans for business expansion.

She was part of the due diligence team for Acquisition projects of the company. In the capacity of Chief Financial Officer, lead the finance function of the company for their offices in India and Mexico covering areas of Accounting, Budgeting, Cash Forecasting, Bank Financing, Financial Analysis, MIS Reporting, Audit and Statutory Compliances. She is part of the Founding members of Elitia.
